

HVAC Rentals - Portable AC 3.5kW AC Unit

A ENERGY EFFICIENCY

Portables

HVAC Rentals portable air conditioners are suitable for offices, computer rooms and light commercial use. The cooling only model is ideal for cooling flats, conservatories or loft conversions during hot summer months. The heat pump model can also be used as an energy efficient form of heating along with cooling. The units come with a hose, tray, remote control and wall kit. Spare parts are available upon request.

Features

- Meets EN14511 standard and EU commission regulations 206/2012
- Proven well-tested designs
- LED display and remote control (both models)
- Flexible exhaust hose - 1.5m (both models)
- Suitable for areas up to 26m²
- No pump required - self evaporating condensate. Water hose needs to be connected when in heat pump mode for dehumidification
- Natural Refrigerant R290
- Ultra-low GWP
- Future proofed - Quota free

The Package

- Portable Unit
- Remote Controller
- Installation Instructions
